

Let's Get Our Conversation Gears Going!

Some topics to help us get started:

- Let's hear from someone here today talking about anything they like! (For example, something new or different you or your family did recently, a new place you visited, perhaps a fresh recipe you tried or a new discovery of some sort etc.)
- Share two things about yourself that other people here today do not know about.
- How much did you know about Australia before you came here?
- Talking about the future - what would you like to be doing in five years' time?
- Discussing family life and bringing up children in Australia - how is it different to your home country?
- How is care for the aged in Australia different to your home country?
