WORK and Leisure

> Work

Work is something we do to earn a living, contribute to society, and fulfil personal goals. Work provides a sense of responsibility, and can lead to financial independence and the development of new skills.

- What jobs have you had?
- Are you trained for a particular type of job?
- How many different jobs have you had?
- What sorts of jobs did your parents have?
- What would be your ideal job?
- Have you ever enjoyed your work and job as much as your leisure time?

> Leisure

Leisure is also called 'free time'. Free time is time spent away from business, work, job hunting, domestic chores, and necessary activities such as eating and sleeping.

- What do you do in your spare time?
- Do you read or watch television?
- Have you a hobby or special activity?
- Do you collect anything such as coins, books or other items?
- If you had enough time, what hobby would you like to do?

> Pick a topic card!

A student selects one card on the table and talks about that topic. If you don't like the topic you select, you can put the card back on the table (face-down) and choose another one. There are lots of different topics to choose from!
